## FRANKOMA'S GIFT SERVICE TO INDUSTRY

Solve your Christmas Gift needs with one easy stroke!

All you need to do is furnish us with a purchase order and a mailing list, either typed or on your own gummed labels. We will enclose YOUR Christmas Gift message in every package if you wish.

1. No postage, package, handling or storage charge. You pay for merchandise and insurance only. Delivery guaranteed.

Calculating — all discounts have been figured. These are rock bottom prices. Net, 30 days.

2. Each item is packed in a 200 pound test re-shipper carton, ready to mail anywhere in the world.
4. Minimum quantity — one dozen. Maximum — your needs.
5. No budget too small — items from \$1.00 to \$6.80. Assort them if you wish.
6. Every piece guaranteed to be Frankoma's finest quality — and ovenproof!
7. We will be glad to send a sample of any item on approval!

Orders accepted from this special catalogue for Christmas shipping after September 1, 1953. Since our output is limited, we reserve the right to return orders after our output is sold for the year. So, please make your selections as soon as possible. We want to serve you.

This picture shows only a small part of Frankoma's line of over 200 pieces. Items shown are only "starters" and can be added to at any time. Our complete catalogue will be sent upon request. We will be glad to help you plan a "follow up" program if you wish.
