

LAZYBONES

Sculptured Free Form Tableware

Our American homes are being designed and built so that home makers can take advantage of the many modern conveniences, yet develop their own personalities in color and styling.

The furnishings for these contemporary homes are practical and simplified. They must be selected carefully to preserve a cordial atmosphere, which we all wish for our family and friends.

Frankoma was sensitive to these trends when this new dinnerware was being designed. The atmosphere surrounding LAZYBONES is relaxing, for you are influenced by its free flowing sculptured lines. As you accept the invitation to handle and caress each piece, you will love the way they fit the contour of your hands, for immediately they become a part of you.

Food cooked in Lazybones can go from the oven to the table — and there are so many uses for each piece. They are designed to serve!

Notice the array of Frankoma's colors. They are the gourmet's delight, for they all compliment your food and share in making every meal an occasion. The shapes themselves are both practical and beautiful.

When you set your table with Lazybones, you are set to relax, and enjoy your share of casual living. It will be the "Talk of the Table" with your family and friends.
