

BROWN SATIN

FRANKOMA is ovenproof but does not claim to be flameproof. You will find it very durable and serviceable wherever china or pottery can be used. It is designed to be entirely satisfactory and we would appreciate letting the factory know of any deviation from this standard.

You are a welcomed guest at the factory any time. Should you come during working hours, we will be glad to conduct you through the plant to see FRANKOMA made. Prices subject to change without notice.
