For thousands of years men have gloried in creating "atmosphere" around their favorite sport—eating. Harmonious and beautiful surroundings not only add to the pleasure of eating but make it a healthier pastime. We still lavish all we possibly can on our banquets and feasts, for we love to eat.

Today, from the crudest earthenware to the finest porcelain, we still choose CERAMICS of some kind for our table. Although we would not eliminate "whitewares," we love our modern pottery tableware. Why not? It is gay, happy, and colorful, and surely fits into our modern mode of living. It is with this in mind that we have created FRANKOMA TABLEWARE.

For one design we have gone to the Great Plains of the Southwest and offer you the "PLAINSMAN" pattern. Its well chosen, simple lines and sturdy shapes create an atmosphere benefitting its heritage. It is most appropriate "for fun or fashion." Every piece can be used in the microwave, oven and dishwasher.
