**REPRODUCTIONS OF WILLARD STONE'S
 WOOD CARVINGS**

Today's homes are "confines around our treasures", no matter what they "cost". Only a few can afford the "originals" of masters, but even the meagerest of homes are entitled to be enriched by living with good reproductions of them. All of the originals of the items we reproduce, are owned by Frankoma.

The wood sculpture of WILLARD STONE, a Cherokee, is a part of most museums, especially of the Southwest. His unique down to earth and humanistic style has brought him into many of the leading art galleries in America. We try to faithfully reproduce the few we are privileged to own.
